

Truckers Health Team Terms and Conditions

- I acknowledge and understand that Truckers Health Team is a health membership plan and will be automatically renewed based on the terms communicated on the website.
- I acknowledge that this **agreement does not provide comprehensive health insurance coverage** nor is it a contract of insurance. This agreement **provides only the healthcare services specifically described** on the following pages.
- I acknowledge and understand that UCT Health is not responsible for any charges incurred for health care services performed outside of UCT Health including but not limited to emergency room, hospital and specialty services.
- I may terminate the Truckers Health Team membership at any time by contacting UCT Health via e-mail at services@urgentcaretravel.com.
- UCT Health reserves the right to increase the Truckers Health Team pricing after 12 months, and that I will be given at least sixty (60) day notice of such Truckers Health Team price changes.
