

UCT Health Network Terms and Conditions

- I acknowledge and understand that the UCT Health Network is an annual membership and will be automatically renewed every 12 months.
- I acknowledge and understand that I cannot cancel my UCT Health Network membership during the 12 month term.
- I acknowledge that this **agreement does not provide comprehensive health insurance coverage** nor is it a contract of insurance. This agreement **provides only the healthcare services specifically described** on pages 3 and 4 of this enrollment form.
- I acknowledge and understand that Urgent Care Travel (“UCT”) is not responsible for any charges incurred for health care services performed outside of UCT including but not limited to emergency room, hospital and specialty services.
- I may terminate the UCT Health Network membership after each 12 month term by contacting UrgentCareTravel via e-mail at services@urgentcaretravel.com.
- UCT reserves the right to increase the UCT Health Network membership pricing after each 12 month term, and that I will be given, in writing, at least sixty (60) day notice of such UCT Health Network price changes.
